

Carousel Physical Therapy, Inc.

FREE CONSULTATION

Have you wondered if you, a friend or family member have a problem that might benefit from physical therapy: either an injury or condition that interferes with sports or quality of life? Perhaps it is a Sports Injury, or a problem stemming from a previous Stroke, or even a Women's Health issue.

Well, stop wondering and find out! We offer a no-charge consultation with a physical therapist who will spend a few minutes with you to understand your situation and your goals. We will tell you honestly if we think we can help and, if so, what your program might involve. If you need a physician referral, we can help you get to your own doctor to get one or we can recommend one if you are between doctors.

Simply fill out the form below for yourself or your friend and bring this to our front desk. Or you can call, or fax, the information into our office: tel: (804) 435-3435; fax: (804) 435-3682. We will set up a time for you meet with one of our physical therapists and get you on your way!
